

REVILLAGIGEDO

THE KINGDOM OF GIANTS

The Revillagigedo Archipelago, distinguished as a National Park and a World Heritage Site by UNESCO, stands as one of the ten most impressive diving destinations on the planet. Renowned for its unrivaled abundance of pelagic life, this ocean sanctuary invites explorers on a journey of unprecedented sophistication and adventure.

A World-Class Experience on Board. Our 9-day expedition redefines the concept of life on board, merging the adrenaline of the ocean with meticulously personalized luxury attention.

Every detail has been designed to offer maximum comfort, ensuring that your only concern is to marvel at the immensity of the sea.

The Boat. We will travel in a brand-new boat suitable for the needs of all our divers, with comfortable rooms and spaces to enjoy and where we are sure you will enjoy the splendor of this formidable trip.

A brief description of the ship we will be using:

- Length (length) 110 feet
- Beam (width) 27 feet
- Capacity for 18 divers and 13 crew members
- Spacious dining room with luxury finishes, cafeteria area and wine cellar
- 2 bathrooms on the dive deck with 2 separate showers
- 4 extra showers on the dive deck, in the aft area
- Spacious upper deck with bar counter, comfortable lounge chairs and a spectacular view
- New compressors and Nitrox membrane
- Fresh water capacity 6,000 liters
- 2 desalination plants with the capacity to purify 40 gallons of water per hour
- Very spacious dive deck for up to 28 divers (We carry no more than 18)
- Large tables for cameras

We have zodiacs for all dives led by qualified captains to follow the divers while they are underwater and we assign one for each group for the complete safety of our guests, The divemaster's on board will guide all your dives and help you in everything you need to make a fantastic experience. We have 80 cubic aluminum tanks that have DIN and Yoke valves, we also have 100 foot steel tanks at an extra cost for those who require it, prior notice at the beginning of the trip.

The sensory experience is elevated with an international class gastronomic proposal. Our full-service dining stands out for its culinary excellence, featuring dishes that rival the world's best restaurants, prepared with fresh ingredients and a touch of distinction that will delight even the most discerning palates.

ITINERARY AND MARINE LIFE

The itinerary includes strategic dives in the most emblematic points of the archipelago: San Benedicto Island, Socorro and Roca Partida.

In these crystal-clear waters, divers will be able to interact with:

Giant mantas and groups of curious and playful dolphins.

A vast diversity of sharks, including silky sharks, whitetip, hammerhead, tiger, tortoise, silvertip, blacktip and the majestic whale shark.

Dense schools of tuna and jack mackerel.

Fascinating endemic species such as Clarion angelfish.

Seasonal encounters with the towering humpback whales.
